

ELIZA DAVID, INDIE ROMANCE AUTHOR

BIO

Even though I was born and raised in Chicago, I currently reside in Iowa City. When I'm not writing, working full time or raising my two children with my loving husband, I enjoy hobbies such as reading, fitness and the occasional bit of celebrity gossip.

BOOKS

My genre is what I coin as Cougar Lit: fictional realities of flawed fortysomething women navigating life while dealing with experiences such as divorce, death, empty nests, career changes and sexual awakenings. The six-book Cougarette Series is available on Amazon.

After her husband of twenty years leaves her, PR exec Cecelia 'CeeCee' Banks is forced to reinvent her life post-divorce.

She catches one of her life's sexiest curveballs in the form of Jay Weston. A promising artist, Jay is everything her ex wasn't: ambitious, sensual, exciting....and twenty-five.

CeeCee is tested the day a click of a pap's camera brings her professional and personal lives into a tabloid tailspin. After ZMT officially coins her as 'The Cougarette', CeeCee becomes a media sensation overnight.

CeeCee attempts to dig herself out of this self-created chaos and maintain at least a shred of dignity. Will she be able to keep her life running smoothly, career and love life intact?

Maybe - if she could just stop waking up in random hotel rooms.
